Material Safety Data Sheet

Product Name	Fura-2 LR (AM), formerly Fura-PE3 (AM)
Catalog Number #	0108
Unit Size	1 mg/unit
Molecular Weight	1258 g/mol
Odor	None
Fire and Explosion Hazards	None
Handling and Storage	Store at -20°C. Protect from light and moisture.
Toxicology Data	Not known
Emergency and First Aid	In case of contact with skin, eyes, or mouth, wash profusely with water. If swallowed, rinse mouth with water and seek medical advice.

For Further Information or in Emergency Contact the Manufacturer

Texas Fluorescence Labs, Inc
9415 Capitol View Drive
Austin, TX 78747
(512)280-5223

Safety Precautions and Control Measures

Potentially harmful if inhaled or ingested. Do not get in eyes, on skin, or on clothing. Potential skin and eye irritant. Wash thoroughly after handling. Gloves should be worn when working with this material. Clean up procedure: wash with soap and water.

This material is for research and experimental applications only. It is not intended for food, drug, household, agricultural, or cosmetic use. All materials should be handled only by technically qualified individuals experienced in handling potentially hazardous chemicals. The above is correct to the best of our knowledge. The user should make independent decisions regarding completeness of the information based on all sources available. Texas Fluorescence Labs, Inc. shall not be held liable for any damage resulting from handling or from contact with the above product.
